

Fun Food

Ants on a Log

Have you ever seen a line of ants going after something yummy? These ants are going after your snack – and they're headed straight for your tummy!

Here's what you need:

- Celery
- Peanut Butter
- Raisins

Here's what you do:

1. Fill your celery with peanut butter
2. Put a bunch of raisin ants marching in a line
3. Eat it all up!
